Debt Committee

Reference Number: CTAS-1801

The Debt Committee assists in developing the debt service program and fund balance policies, along with helping the county understand all aspect of its debt. The committee should make recommendations on when to issue debt and what type of debt to issue. This committee should have an in-depth understanding of the existing Debt Service Funds, the current outstanding debt instruments and the multi-year debt service budget. This committee should work with the county mayor/executive and finance department in the overall Debt Management Program, and follow the committee charge outlined in the Debt Policy

Recommended Practice: Establish committees to assist in debt management activities
