## Sample Budget Handbook

---

Dear Reader:

The following document was created from the CTAS electronic library known as e-Li. This online library is maintained daily by CTAS staff and seeks to represent the most current information regarding issues relative to Tennessee county government.

We hope this information will be useful to you; reference to it will assist you with many of the questions that will arise in your tenure with county government. However, the *Tennessee Code Annotated* and other relevant laws or regulations should always be consulted before any action is taken based upon the contents of this document.

Please feel free to contact us if you have questions or comments regarding this information or any other e-Li material.

Sincerely,

The University of Tennessee  
County Technical Assistance Service  
226 Capitol Blvd. Suite 400  
Nashville, TN. 37219

## Budget Handbook

\_\_\_\_\_ COUNTY, TENNESSEE  
 BUDGET PREPARATION INSTRUCTIONS  
 FISCAL YEAR 20\_\_ - 20\_\_

### **Instructions-Budget Form A**

Budget Form A (General Budget Preparation Form) is provided for each department or function within a fund. Already listed on the form will be the actual expenditures for FY 20\_\_-\_\_, current approved Budget FY 20\_\_-\_\_ and expenditures through 20\_\_-\_\_ for each line item (object code) within the department budget. Based on the information provided in columns (1), (2) and (3); along with current knowledge, you (official/department head) are requested to make an accurate projection of the Total Expenditures for FY 20\_\_-\_\_ and list them by line item under column (4). Due to the need to determine accurate year-end balances it is very important that your expenditure projections be as accurate as possible. Refer to Budget Form B for information in making projections relating to "Salary" and "Compensation" line items.

After completing column (4) "20\_\_-\_\_ Projected Expenditures:", review each of the line items, one by one, and calculate the required amount to be proposed for the Budget Year 20\_\_-\_\_. Enter these amounts by line item in column (5) "20\_\_-\_\_ Proposed Budget". For salary and compensation line items, refer to the guidelines in the Budget Transmittal Letter and the instructions for completing Budget Form B prior to entering any figures on Form A. The total to be entered for each "Salary" line item on Budget Form A will be taken from the "FY 20\_\_-\_\_ Proposed Total Annual Compensation" column (8) of Budget Form B.

After completing the information required on Budget Form B and transferring the figures to the appropriate line items in column (5) of Budget Form A, please calculate the increases or decreases over FY 20\_\_-\_\_ approved budget [column (5) minus column (2)] and then list the difference under column (6) or (7). Increases for compensation, utilities, postage, supplies and other increases should be listed under column (6). Increases relating to new programs or expansion of existing programs should be listed under column (7) and explained on the attached separate sheet.

### **Instructions-Budget Form B**

Budget Form B (Budget Preparation Form/Personnel) is provided for each line item of a department or function with budgeted salaries or compensation for the Fiscal Year 20\_\_-\_\_. For assistance in preparing your budget, information is provided in column 2 through 5 relative to job title, employee name, current hourly, bi-weekly, or monthly rate and total annual compensation of each employee. The information listed in column (4) and (5) will include any experience/longevity step increases received by the employee to date. The totals for each account code for FY 20\_\_-\_\_ may not agree with the budgeted amount on Budget Form A for various reasons, although it does reflect the current levels of salary being charged. This will be your starting point for developing the proposed compensation for FY 20\_\_-\_\_ to be entered in column (8). Any new positions to be proposed will require information to be listed under column (2) – "Job Title", column (6) – "FY 20\_\_-\_\_ Proposed Annual Base" and column (8) "Proposed 20\_\_-\_\_ Total Annual Compensation". For any listed position that will not be filled in the fiscal year 20\_\_-\_\_ please write delete in column (8).

Refer to the attached Budget Transmittal Letter for guidelines to calculate proposed FY 20\_\_-\_\_ compensation amounts. The proposed rate for cost-of-living increases will be listed under section B. The first step will be to calculate the fiscal year 20\_\_-\_\_ annual base for each employee to be entered into column (6). The total of the amounts entered in this column should not exceed the FY 20\_\_-\_\_ Salary Budget plus the cost-of-living percentage. The department head/elected official will have the discretion to increase each employee the cost-of-living percentage (column 5 x cost-of-living percent) or to allocate the cost-of-living percentage pool based on the performance or some other basis.

The second step will be to add the amount entered in column 6 to the longevity/experience amount listed in column 7 to arrive at the Total Annual Compensation that you will list under column 8. Column 9 may be filled in if you desire, although it is not mandatory.
