Deadlines and Important Dates

Dear Reader:

The following document was created from the CTAS electronic library known as e-Li. This online library is maintained daily by CTAS staff and seeks to represent the most current information regarding issues relative to Tennessee county government.

We hope this information will be useful to you; reference to it will assist you with many of the questions that will arise in your tenure with county government. However, the *Tennessee Code Annotated* and other relevant laws or regulations should always be consulted before any action is taken based upon the contents of this document.

Please feel free to contact us if you have questions or comments regarding this information or any other e-Li material.

Sincerely,

The University of Tennessee

Deadlines and Important Dates

Reference Number: CTAS-559

The Tennessee Department of Environment and Conservation began issuing general permits for small MS4s and small construction activity on December 9, 2002. Counties automatically covered in the program obtain permit coverage within 90 days of permit issuance. After obtaining permit coverage, operators of small MS4s must fully implement storm water management programs by the end of the first permit term, typically a five-year period
