Budgeting under General Law

Reference Number: CTAS-697

Historically, there has been little guidance for those counties operating under the general budgeting laws. Legislation passed in 2016, however, now provides some guidelines for those counties. Public Chapter 1080 amended T.C.A. § 5-9-402 to provide a budget adoption timeline and procedures for counties operating under the general law. Pursuant to T.C.A. § 5-9-402, general budgeting law counties must follow the timeline set forth in the statute or adopt their own timeline. The statutory timeline can be found below. Should a county legislative body choose to adopt its own budget timeline, it must also receive the approval of the county board of education for the portion of the timeline established for the LEA. The provisions in § 5-9-402 do not apply to Davidson, Hamilton, Knox or Shelby counties.

Another provision enacted by Public Chapter 1080 creates a deadline for enactment of the education budget by operation of law. Now, under T.C.A. § 5-9-404, if the county legislative body and the county school board fail to agree on a budget for the county department of education by August 31, then, by operation of law, the budget for the county department of education will be equal to the minimum budget required to comply with the local match and maintenance of effort provisions of the BEP. If this occurs for three consecutive years, the budget for the third year will include a three percent increase in the required local funding amount for schools unless the LEA failed to comply with the applicable budgetary timeline. The provisions in § 5-9-404 do not apply to Davidson, Hamilton, Knox or Shelby counties.

Budget development under General Law is also covered under Operating Budgets of the Accounting/Budget/Finance tab.
