Microbreweries and Brew Pubs

Dear Reader:

The following document was created from the CTAS electronic library known as e-Li. This online library is maintained daily by CTAS staff and seeks to represent the most current information regarding issues relative to Tennessee county government.

We hope this information will be useful to you; reference to it will assist you with many of the questions that will arise in your tenure with county government. However, the *Tennessee Code Annotated* and other relevant laws or regulations should always be consulted before any action is taken based upon the contents of this document.

Please feel free to contact us if you have questions or comments regarding this information or any other e-Li material.

Sincerely,

The University of Tennessee

Microbreweries and Brew Pubs

Reference Number: CTAS-345

Under T.C.A. § 57-5-101(a), brewers and wholesalers are prohibited from having any interest in the retail beer business; a brewer cannot sell beer at retail or operate a restaurant at which it sells its own beer. However, an exception to this rule allows a manufacturer in any county in Tennessee who meets necessary federal, state, and local licensing requirements to operate as a retailer at or contiguous to the manufacturer's location for sales of not more than 25,000 barrels per year for consumption on or off the premises, in accordance with the provisions of T.C.A. § 57-5-101(c); Attorney General Opinion 00-087 (5/5/00).

A business engaged in the sale and manufacturing of beer must obtain a permit from the city or county in which the business is located. T.C.A. § 57-5-103. Also, note that beer falls within the definition of food as defined in T.C.A. § 53-1-102, and therefore manufacturing beer is subject to regulation by the [Tennessee Department of Agriculture](#). Accordingly, these establishments must also obtain a food manufacturing license from the Department of Agriculture.
