## County Board of Sanitation

**Reference Number:** CTAS-526

One of the options given to counties for management of solid waste operations is through a county board of sanitation. T.C.A. § 5-19-103. Such a board may be established by resolution of the county legislative body and consists of three members appointed by the county mayor subject to confirmation of the county legislative body. The members of this board serve for terms of three years except for the initial appointments for one, two and three years to create a staggered system. Members of this board may be compensated according to a resolution of the county legislative body. T.C.A. § 5-19-104. This board has general supervision and control of the acquisition, improvement, operation and maintenance of all solid waste collection and disposal systems operated by the county. If this board is established, then it appoints a superintendent to be in charge of daily solid waste management operations. T.C.A. § 5-19-105.
