Meetings and Notice Requirements -CLB

Reference Number: CTAS-15

The county legislative body is required by law to meet at least four times annually at a time and place established by resolution of the county legislative body. T.C.A. § 5-5-104. Every member of the county legislative body shall be required to attend each and every session of the body. T.C.A. § 5-5-106.

The Open Meetings Law requires adequate public notice of regular meetings as well as special meetings. T.C.A. § 8-44-103. The meetings of the county commission are presided over by a chairperson or the chairperson pro tempore if the chair is not in attendance. T.C.A. § 5-5-103. If the chairperson fails or is unable to attend the meeting, the chairperson pro tempore will discharge the chairperson's duties.

In counties not operating under a consolidated government charter or county charter, special meetings of the county legislative body may be called by the county mayor. Also, the chair of the county legislative body may call a special meeting upon application in writing by a majority of the county commissioners. The call for a special meeting must be made by publication in some newspaper published in the county, or by personal notices to the members sent by the county clerk at least five days before the time of convening the special meeting. The call must specify the objects and purposes for which the special meeting is called, and no business not referenced in the call can be transacted at the special meeting. T.C.A. § 5-5-105. This notice is for the purpose of informing the county commissioners and is in addition to the notice to the public required by the Open Meetings Law. However, one notice in a newspaper of general circulation in the county appearing five or more days before the special meeting may serve to meet both requirements.

All meetings must be public and no secret votes may be taken. T.C.A. § 5-5-104. A limited exception to the open meeting rule is provided by case law due to the judicial doctrine of attorney-client privilege; the county legislative body may meet in closed session with the county attorney or other attorney representing the county to discuss with the attorney pending litigation involving the county, but no discussions among members of the body as to the action to be taken or votes or decisions may be made in secret, nor other matters discussed.

Chair-CLB

Reference Number: CTAS-14

In counties other than those with a consolidated form of government or county charter, the county legislative body elects a chair and a chair pro tempore at its first session on or after September 1 of each year. The county legislative body may elect one of its own members as chair, or it may elect the county mayor; however, the county mayor is not required to take the office and may decline. If the county mayor is elected as chair and accepts the office, then the county mayor relinquishes the power to veto legislative resolutions of the county legislative body. However, these provisions do not apply in Knox, Hamilton, and Shelby. T.C.A. § 5-5-103. A county mayor who assumes the chair may vote to break tie votes of the county legislative body, but otherwise does not vote. T.C.A. § 5-5-109(b). The county mayor may not make or second a motion. Alternatively, the legislative body may elect one of its own members as chair, in which case the member who is also chair may vote on all issues as a regular member of the body, but may not vote again to break a tie vote. T.C.A. § 5-5-109.

If the county mayor does not serve as chairman, the county mayor has veto power over legislative resolutions (but not administrative or appellate resolutions) within 10 days of receiving the legislative resolution from the county commission. If a resolution is vetoed, the county mayor must return it to the commission with reasons for the veto. The commission may override the veto at the next regular meeting of the county commission or within 20 days of receiving the veto, whichever is later.

When the regular chair is unable or fails to attend meetings of the county legislative body, the chair is under a duty to notify the chair pro tempore who shall attend and discharge the duties of the chair. If neither is present, the county clerk will call the meeting to order for the election of one of the members to temporarily preside over the meeting. T.C.A. § 5-5-103.

The chair may designate another member of the county legislative body to sit in the chair's place on any board, authority or commission that the chair serves upon by virtue of holding the office of chair. Any such designee may vote or exercise any power the chair could exercise had the chair been in attendance.

Duties of the Chairperson (or Chairperson Pro Tempore)

Reference Number: CTAS-756

The chairperson of the county commission is required to preside over the sessions of the county commission. T.C.A. § 5-5-103. A chairperson “holds over” and is the presiding officer until his or her successor is duly elected. Op.Tenn. Atty Gen. 86-162 (September 15, 1986). Generally, the chairperson’s duties include the following:

1. Opening the session at the proper time by taking the chair and calling the members to order; announcing the business before the body in the order it is to be acted upon; stating and putting to vote all motions, resolutions, amendments or other questions which lawfully come before the body; and announcing the results of the vote.
2. Keeping order, recognizing each member’s right to speak on an issue and assigning the floor to those properly entitled to it.
3. Assuring only one main motion or resolution is entertained at a time and disallowing debate on the issue until the motion has been properly seconded and announced.
4. Being fair and impartial while presiding and refraining from discussion on issues; being courteous to those whose views differ from the chairperson’s.
5. Surrendering the chair prior to taking part in debate.
6. Voting if a member of the body; voting only to break a tie vote if a county mayor chairperson.
7. Performing other duties pursuant to procedure adopted by resolution of the body.

When the chair steps down to participate in debate, she/he cannot return to the chair until the issue is disposed of in some manner. It is always improper for the chair to voice an opinion or debate the pending issue while acting as chair. The chair can answer questions, refer questions to the maker of the motion, rule on parliamentary questions, etc., during the debate of any issue.

If the chairperson is unable or fails to attend a meeting of the county commission, it is the duty of the chairperson pro tempore to discharge the duties of the office of chair. If neither the chairperson nor the chairperson pro tempore is present, the county commission appoints a temporary chairperson pro tempore to preside over the meeting. T.C.A. § 5-5-103.

If the county mayor is absent or intends to be absent for more than 21 days, or is incapacitated or unable to perform the duties of the office, the county commission will appoint the chair to serve until the county mayor is no longer absent or disabled. When the chairperson is serving as county mayor, the chair pro tempore presides over the county commission. T.C.A. § 5-5-103.

Clerk of the County Legislative Body

Reference Number: CTAS-664

The county clerk is the clerk of the county legislative body. T.C.A. §§ 18-6-101; 18-6-104. The clerk keeps the official records of the body, sends required notices, and keeps a record of all appropriations and allowances made and all claims chargeable against the county. The clerk may develop the **agenda** for the county legislative body meetings.

In addition to keeping the minutes, the County Clerk is required to:

1. Notify each member of a special or called session not less than five days in advance of the meeting T.C.A. § 5-5-106;
2. Present each resolution approved by the county legislative body to the county mayor for signature promptly after the meeting of the county legislative body and report the approval or nonapproval at the next meeting in the reading of the minutes. T.C.A. § 5-6-107;
3. Notify members of vacancies which must be filled by the county legislative body, and record each member’s vote to fill the vacancy and enter it in the minutes. T.C.A. § 5-5-111; and
4. Carry out any other duties required by local rules of procedure adopted by resolution of the county legislative body or required by statute.

In instances where no statute or rule of procedure adopted locally addresses a question of parliamentary procedure, many county legislative bodies follow Robert’s Rules of Order, a set of procedural rules which may or may not be adopted by the body.

Within almost every county there are three major operating department heads: the county mayor, the chief administrative officer of the Highway Department, and the Director of Schools (under the direction of the Board of Education). Income received and disbursements made by these departments must be authorized by the county legislative body, subject to general and private acts of the legislature and to

court decisions. Accordingly, no county funds may be expended unless authorized (generally referred to as “appropriated”) by the county legislative body. T.C.A. § 5-9-401.

Appropriations may be made by the county for a number of specifically authorized purposes, or pursuant to the general authorization to appropriate funds for any statutorily authorized purpose. T.C.A. § 5-9-101 *et seq.* The County Clerk keeps a book of appropriations. T.C.A. § 5-9-301. Once an appropriation is made, warrants signed by the appropriate department head (more than one department head may be required) are drawn on the county treasury (trustee).

The Agenda

Reference Number: CTAS-663

The order of business, or the framework for a specific meeting of the county legislative body, is contained in an agenda. Some counties adopt a permanent order of business. If no order of business is established, the chair could decide what order to follow. An agenda, following the adopted order of business, relates to the specific meeting of the body. The agenda is a listing, in order, of the business to be considered at the meeting. The agenda is usually set by the chairman based on information from members and committee chairmen. In some counties, another method of setting the agenda may be established by local rule, e.g. the agenda may be set prior to the meeting by a workshop or small meeting. The county clerk, the county mayor, and citizens may also request that items be placed on the agenda.

Members of the county legislative body should have a copy of the proposed agenda, supporting information, and copies of the minutes of the previous meeting prior to the meeting of the body. Having these materials in advance allows members an opportunity prior to the meeting date to seek answers to questions on topics to be considered at the meeting. Receiving an advance copy of the agenda facilitates the smooth operation of meetings of the county legislative body and, since the members are better informed, fewer items may need to be deferred until the next meeting for further study, and meetings may also be shorter. The county commission can ensure that its members receive copies of the agenda prior to the meeting by making such a requirement a part of the local rules. Also, some county commissions, by local rule, require a two-thirds vote to amend the agenda to include a new item of business that has not been provided in advance to the county commissioners once the agenda has been adopted following the procedure established for adoption of the agenda.

County clerks may be asked to prepare the agenda. A typical Sample Agenda would be:

1. Call to order by chair.
2. Roll call by county clerk.
3. Approval of agenda (if needed).
4. Reading and approval of the minutes from previous meeting.
5. Resolutions for special recognition.
6. Elections, appointments, and confirmations.
7. Reports, county officials, standing, and special committees.
8. Unfinished business.
9. New business.
10. Announcements and statements.
11. Adjournment.

In some counties, by locally adopted rule, the county legislative body may have some time set aside on the agenda to take public comments. Often this is done before or after the other items on the agenda are dealt with.

Minutes

Reference Number: CTAS-665

It is very important that the minutes of the county commission be accurate, be reviewed, and be formally approved by the county legislative body. The minutes are required to be promptly and fully recorded and open to public inspection in the clerk’s office. They must include a record of persons present, all motions, proposals and resolutions offered, the results of any vote taken, and a record of individual votes in the event of roll call. All votes of the County Commission must be public; no secret votes or secret ballots can be taken T.C.A. § 8-44-104. Each member’s vote regarding the appointment process shall be recorded by the clerk and entered on the minutes of the county legislative body. T.C.A. § 5-5-111(e). The min-

utes are the only record of the meeting that will be used if a question arises concerning what happened at the meeting and that will be recognized by a court.

Members of the county legislative body can greatly assist the county clerk in preparation of the minutes by ensuring that all resolutions are presented in writing. This will ensure that the resolution is recorded in the minutes in the proper format and will speed the process of approving and correcting the minutes. However, resolutions that are not presented in writing will have to be reduced to writing by the county clerk.

The minutes should contain what was done by the body and not necessarily what was said by each member. As a general rule the minutes of the County Commission are written in third person and contain the following information:

1. Date, place, and time of the meeting and whether the meeting was a regular or special meeting.
2. Names of the members in attendance and those not in attendance.
3. Approval or correction of the minutes of the previous meeting.
4. Motions and proposals made, along with amendments, the name of the maker, and the vote on the motions. (Motions withdrawn do not have to be included.)
5. Resolutions adopted in full. Resolutions not presented in writing must be reduced to writing by the County Clerk and included in the minutes.
6. Actual vote of each member on roll call votes and "approved by voice vote" or "disapproved by voice vote" for simple voice vote. A count of the votes should be included when voting is done by a show of hands.
7. Summaries or written reports appended to the minutes for committee reports.
8. Committee appointments, elections to fill vacancies or other appointments, and confirmations of appointments.
9. Any special provision required for compliance, such as a two-thirds vote.
10. A notation if the meeting is also serving as a public hearing on an issue.
11. Any other matter directed by the body to be included in the minutes.
12. Time of adjournment.

The approved minutes should be signed by the chair of the county legislative body and the County Clerk. Rough minutes should be retained until the actual minutes are approved, and then may be destroyed. Minutes are kept as permanent records in a minute book which should be well bound and have numbered pages. A method of topical indexing to find minutes of previous meetings should be kept. Under T.C.A. § 10-7-121, the minutes may be maintained in electronic format instead of bound books or paper records, as long as the requirements of that statute are met.

Procedure and Voting Requirements-CLB

Reference Number: CTAS-18

Rules of parliamentary procedure were developed to provide for orderly and courteous meetings. If you have questions about parliamentary procedure at a meeting of your county commission, you should consult your county attorney. You may have your county attorney attend county commission meetings to assist the presiding officer with questions of parliamentary procedure (or be available to provide answers to your questions).

The county legislative body is usually required to follow procedures mandated by state law, but often the state law is silent on the procedures to be followed. Therefore, it is important for county legislative bodies to adopt rules of procedure to follow when the state law does not provide guidance. During the meeting a commissioner should seek recognition in the manner used by the body which is generally by rising or by raising his/her hand. As a parliamentary courtesy, the member who makes a motion is entitled to speak first on the issue and is entitled to close debate but not until every member who desires to speak has been heard. The member should make the motion, without discussion that is not needed to explain the motion, allow for a second, and then be heard on the motion. A member should confine his/her remarks to the question before the body and should avoid personalities.

Many county legislative bodies adopt *Robert's Rules of Order* when parliamentary questions arise that are not specifically dealt with in their local rules. Whenever specifically adopted local rules differ with *Robert's Rules* (unless the local rules provide *Robert's Rules* control), the local rule would control. Neither *Robert's Rules* nor local rules can take precedence over a statute. When there is a conflict between a statute and a rule, the statute controls.

Sample rules of procedure. These are basic rules and it is suggested, as the sample does in Rule 11, to adopt a provision that all matters not covered by state law or the adopted rules be governed by *Robert's Rules of Order Revised* as contained in the latest copyrighted edition.

Sample Meeting Transcript

Reference Number: CTAS-2191

Using the **sample agenda**, the following is a sample transcript of a meeting that has 19 members and a regular member is serving as chair.

Meeting of CTAS County Commission-Transcript of Dialogue

Chairman Wormsley (at the proper time and place, after taking the chair and striking the gavel on the table): This meeting of the CTAS County Commission will come to order. Clerk please call the role. (Ensure that a majority of the members are present.)

Chairman Wormsley: Each of you has received the agenda. I will entertain a motion that the agenda be approved.

Commissioner Brown: So moved.

Commissioner Hobbs: Seconded

Chairman Wormsley: It has been moved and seconded that the agenda be approved as received by the members. All those in favor signify by saying "Aye"?...Opposed by saying "No"?...The agenda is approved. You have received a copy of the minutes of the last meeting. Are there any corrections or additions to the meeting?

Commissioner McCroskey: Mister Chairman, my name has been omitted from the Special Committee on Indigent Care.

Chairman Wormsley: Thank you. If there are no objections, the minutes will be corrected to include the name of Commissioner McCroskey. Will the clerk please make this correction. Any further corrections? Seeing none, without objection the minutes will stand approved as read. (This is sort of a short cut way that is commonly used for approval of minutes and/or the agenda rather than requiring a motion and second.)

Chairman Wormsley: Commissioner Adkins, the first item on the agenda is yours.

Commissioner Adkins: Mister Chairman, I would like to make a motion to approve the resolution taking money from the Data Processing Reserve Account in the County Clerk's office and moving it to the equipment line to purchase a laptop computer.

Commissioner Carmical: I second the motion.

Chairman Wormsley: This resolution has a motion and second. Will the clerk please take the vote.

Chairman Wormsley: The resolution passes. We will now take up old business. At our last meeting, Commissioner McKee, your motion to sell property near the airport was deferred to this meeting. You are recognized.

Commissioner McKee: I move to withdraw that motion.

Chairman Wormsley: Commissioner McKee has moved to withdraw his motion to sell property near the airport. Seeing no objection, this motion is withdrawn. The next item on the agenda is Commissioner Rodgers'.

Commissioner Rodgers: I move adoption of the resolution previously provided to each of you to increase the state match local litigation tax in circuit, chancery, and criminal courts to the maximum amounts permissible. This resolution calls for the increases to go to the general fund.

Chairman Wormsley: Commissioner Duckett

Commissioner Duckett: The sheriff is opposed to this increase.

Chairman Wormsley: Commissioner, you are out of order because this motion has not been seconded as needed before the floor is open for discussion or debate. Discussion will begin after we have a second. Is there a second?

Commissioner Reinhart: For purposes of discussion, I second the motion.

Chairman Wormsley: Commissioner Rodgers is recognized.

Commissioner Rodgers: (Speaks about the data on collections, handing out all sorts of numerical figures regarding the litigation tax, and the county's need for additional revenue.)

Chairman Wormsley: Commissioner Duckett

Commissioner Duckett: I move an amendment to the motion to require 25 percent of the proceeds from the increase in the tax on criminal cases go to fund the sheriff's department.

Chairman Wormsley: Commissioner Malone

Commissioner Malone: I second the amendment.

Chairman Wormsley: A motion has been made and seconded to amend the motion to increase the state match local litigation taxes to the maximum amounts to require 25 percent of the proceeds from the increase in the tax on criminal cases in courts of record going to fund the sheriff's department. Any discussion? Will all those in favor please raise your hand? All those opposed please raise your hand. The amendment carries 17-2. We are now on the motion as amended. Any further discussion?

Commissioner Headrick: Does this require a two-thirds vote?

Chairman Wormsley: Will the county attorney answer that question?

County Attorney Fults: Since these are only courts of record, a majority vote will pass it. The two-thirds requirement is for the general sessions taxes.

Chairman Wormsley: Other questions or discussion? Commissioner Adams.

Commissioner Adams: Move for a roll call vote.

Commissioner Crenshaw: Second

Chairman Wormsley: The motion has been made and seconded that the state match local litigation taxes be increased to the maximum amounts allowed by law with 25 percent of the proceeds from the increase in the tax on criminal cases in courts of record going to fund the sheriff's department. Will all those in favor please vote as the clerk calls your name, those in favor vote "aye," those against vote "no." Nine votes for, nine votes against, one not voting. The increase fails. We are now on new business. Commissioner Adkins, the first item on the agenda is yours.

Commissioner Adkins: Each of you has previously received a copy of a resolution to increase the wheel tax by \$10 to make up the state cut in education funding. I move adoption of this resolution.

Chairman Wormsley: Commissioner Thompson

Commissioner Thompson: I second.

Chairman Wormsley: It has been properly moved and seconded that a resolution increasing the wheel tax by \$10 to make up the state cut in education funding be passed. Any discussion? (At this point numerous county commissioners speak for and against increasing the wheel tax and making up the education cuts. This is the first time this resolution is under consideration.) Commissioner Hayes is recognized.

Commissioner Hayes: I move previous question.

Commissioner Crenshaw: Second.

Chairman Wormsley: Previous question has been moved and seconded. As you know, a motion for previous question, if passed by a two-thirds vote, will cut off further debate and require us to vote yes or no on the resolution before us. You should vote for this motion if you wish to cut off further debate of the wheel tax increase at this point. Will all those in favor of previous question please raise your hand? Will all those against please raise your hand? The vote is 17-2. Previous question passes. We are now on the motion to increase the wheel tax by \$10 to make up the state cut in education funding. Will all those in favor please raise your hand? Will all those against please raise your hand? The vote is 17-2. This increase passes on first passage. Is there any other new business? Since no member is seeking recognition, are there announcements? Commissioner Hailey.

Commissioner Hailey: There will be a meeting of the Budget Committee to look at solid waste funding recommendations on Tuesday, July 16 at noon here in this room.

Chairman Wormsley: Any other announcements? The next meeting of this body will be Monday, August 19 at 7 p.m., here in this room. Commissioner Carmical.

Commissioner Carmical: There will be a chili supper at County Elementary School on August 16 at 6:30 p.m. Everyone is invited.

Chairman Wormsley: Commissioner Austin.

Commissioner Austin: Move adjournment.

Commissioner Garland: Second.

Chairman Wormsley: Without objection, the meeting will stand adjourned.

Voting

Reference Number: CTAS-661

There are many methods of taking votes. Those most often used are: voice, roll call vote, raising the right hand, rising, or “aye” or “no.” Many groups use ballot voting, but it must be remembered that secret votes are prohibited in meetings of the county legislative body. All votes must be a public vote. T.C.A. § 8-44-104. There are no provisions in the law allowing voting by proxy.

For voice voting, the following form is very common: “It has been moved and seconded that: (state the question). As many as are in favor of the motion say aye,” and after the affirmative voice is expressed, “those who are opposed say nay or no.” The same type of language is used when calling for a vote by show of hands or asking the membership to rise to express their votes.

When a voice vote is taken, the chair should announce the results in the following form: “The motion or resolution is carried - the motion or resolution is adopted.” If, when the results are announced, any member doubts the vote, that member may call for a “division.” The chair will announce that “a division is called for” and the vote will be verified by a roll call or a show of hands. Votes will be counted and the results announced.

Another type of voting is called voting by “yeas” and “nays.” In this method, the chair states both sides of the question at once. The County Clerk then calls the roll and each member answers yes or no. Each member’s vote on the issue is recorded by the member’s name and the total affirmative and negative vote is counted and the results are announced by the chair.

A roll call vote is required when the county legislative body is making an appropriation of money. T.C.A. § 5-9-302.

Quorum Requirements

Reference Number: CTAS-662

Voting. A majority of all the members constituting the county legislative body, and not simply a majority of the quorum, is required to take any action, including making appointments, filling vacancies, fixing salaries, appropriating money, and transacting any other business coming before the county legislative body in regular or special meetings. T.C.A. §§ 5-5-108 and 5-5-109. The majority vote requirement means a majority of the actual membership at the time and not a majority of the total authorized membership, so a vacancy would not be counted in determining the required majority. *Bailey v. Greer*, 468 S.W.2d 327 (Tenn. Ct. App. 1971).

Questions often arise as to the effect of an abstention or “pass” vote. If a member abstains from voting or “passes” for any reason other than a statutory conflict of interest, the vote has the practical effect of a “nay” vote. It is not counted as one of the required “yea” votes necessary to meet the majority approval required for adoption, and yet it must be counted in determining the number necessary for a majority. Attorney General Opinion 86-17 (1/1/86). If, however, a member abstains from voting because of a statutory conflict of interest, that member is not counted for purposes of determining the number necessary for a majority. T.C.A. § 5-5-102(c)(3)(B).

While most business coming before the Commission requires a simple majority vote, some measures require a “supermajority” vote of two-thirds (2/3) of the members. This is true for the approval of private acts, as well as for imposing some tax measures. Where a supermajority is required, it will be stated in the enabling legislation (general law or private act).

The following chart illustrates the number of votes required for a majority of the county legislative body.

Number of Members	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24	25
Majority	5	6	6	7	7	8	8	9	9	10	10	11	11	12	12	13	13
Two-Thirds	6	7	8	8	9	10	10	11	12	12	13	14	14	15	16	16	17

For example, if your county commission has 19 members, 10 votes are needed to pass a resolution (unless there is a vacancy or a member abstains due to a T.C.A. § 12-4-101 conflict of interest, and announces that intention to the chairman of the legislative body). If 15 of the 19 members are present at the meeting, 10 votes are still needed. If a county legislative body has 15 members, 10 of whom are present for a meeting, all ten of those would have to vote in the affirmative in order to pass a measure requiring a two-thirds vote; eight of the ten present would constitute a majority.

Tie votes - If the County Commission is equally divided on any vote, then and only then a county mayor chair may, but is not required, to cast the deciding vote. A member serving as chairman votes as a regular member and cannot vote a second time to break a tie. T.C.A. § 5-5-109.

Procedure - All business for action of the county legislative body must be presented to the chair who announces the business to the body and takes the vote which is recorded by the county clerk. The body cannot act on any business which is not presented to the chair unless the body decides to do so by a majority of those present. T.C.A. § 5-5-110.

Types of Motions

Reference Number: CTAS-2192

Review the following chart to learn about the different types of motions. Motions that are not debatable are immediately put to a vote.

Motion	Second Needed?	Debate or Discussion?	Amendable?	Majority or Two-Thirds Vote?
Main Motion-Present business to the body. Only one main motion can be considered at a time.	Yes	Yes	Yes	Majority, except when two-thirds is required by law.
Subsidiary Motions-These motions are not questions before the body by themselves but relate to a main motion (or resolution) that is before the body. They may be made after the main motion and must be dealt with before voting on the main motion to which it relates. Yields to privileged and incidental motions. Listed in order of rank (meaning a motion of higher rank can always be entertained while a lower rank motion is pending, but not vice versa; there can be more than one subsidiary motion at a time - for example, a motion to amend a main motion, or an amendment, may be "tabled").				
Table (Is immediately put to a vote; if not taken from the table in the same meeting, the motion is dead; generally used as an attempt to kill a motion.)	Yes	No	No	Majority
Previous question call for a vote, close debate (This motion is to cut off debate and force a vote on the issue.)	Yes	No	No	Two-thirds (Remember, this is under <i>Robert's Rules</i> ; local rules may only require a majority.)
Limit or extend debate (Limit discussion to a certain time.)	Yes	No	No	Two-thirds (Remember, this is under <i>Robert's Rules</i> ; local rules may only require a majority.)
Postpone to a certain time	Yes	Yes	Yes	Majority

Amend a main motion (If adopted, the chairman should restate the main motion, as amended before the vote.)	Yes	Yes, but debate should be confined to the amendment	Yes, but only once (Amendments to a main motion can be amended, but an amendment to an amendment cannot be amended.)	Majority
Postpone indefinitely	Yes	Yes	Yes	Majority
Incidental Motions-These motions are of no special rank, but yield to privileged motions meaning that if one of these motions is before the body and one of the privileged motions listed below is made, the privileged motion will have to be voted on or withdrawn before the body can proceed to consider these incidental motions. Otherwise, these motions are dealt with as they arise and take precedence over subsidiary motions.				
Point of order (A member may interrupt the speaker who has the floor for this motion.); the chair deals with this motion.				
Withdraw a motion	No	No	No	Majority (However no vote is taken unless there is an objection to the withdrawal.)
Suspend the rules (To allow the county commission to violate its own rules; the rules should provide the method for "suspending the rules".)	Yes	No	No	Two-thirds (Remember, this is under <i>Robert's Rules</i> ; local rules may only require a majority.)
Method of voting	Yes	No	Yes	Majority
Request for information; the chair deals with this motion.

Committees-CLB

Reference Number: CTAS-16

There are many committees, boards and commissions in county government. The laws that apply can be very confusing. It is important to distinguish between internal committees of the county legislative body and committees or boards established or made optional by general law or private acts. Internal committees of the county legislative body have no statutory requirements associated with them, they can be created or not according to the will of the county legislative body, they have no independent power to act and may only make recommendations to the full county legislative body. Therefore, the number, title, composition, method of appointment and other matters pertaining to these committees are determined by resolution of the county legislative body, either directly or through the adopted rules of procedure. See e.g., Op. Tenn. Att'y Gen. U91-48 (March 25, 1991). These internal committees may vary greatly from county to county and may change easily within a county. They exist simply to provide advice to the full county legislative body.

On the other hand, a county may have many boards and committees that have their basis in either general state law or private acts. These statutory boards and committees have to be dealt with according to the terms of the laws that created them or authorized their creation. These boards and committees

may exercise the powers granted to them by law, but no other powers may be exercised. Some statutory boards or committees may exercise some limited powers directly, and in other matters they may merely make recommendations as would an internal study committee. The nature and authority of any particular committee or board in a county must be examined individually on a county- by-county and committee-by-committee basis.

A brief summary, including examples, of these three types of committees is included below.

Statutory Committees. These committees are provided for in the statutory law involving county commission appointment or approval of committee members. Not all of these committees are mandatorily required by the statutory law, but if created, they must be created in accordance with the statutes.

Standing Committees. These are internal committees not required by statute and are usually established by local rules of procedure adopted by the county commission or by tradition in the county. The function and membership of standing committees is at the discretion of the body and its chairperson. Standing committees usually have broad areas over which they are responsible for making studies and recommendations back to the full body. These committees continue their operation throughout the year and make periodic reports to the entire body concerning findings of the committee and recommendations on questions submitted to them. Examples of this type of committee are Fiscal Review Committee, Planning Committee and Nominations Committee.

Special Committees. Special Committees are also non-mandatory, internal committees which may be appointed or elected at a meeting of the county commission when an issue arises which needs more information or further study prior to official actions by the body. These are temporary committees which cease to function when they have completed their duties and made a report or recommendation back to the full body. Examples of this type of committee are Committee to Study the Need for a County Ambulance Authority, Committee to Draft Local Rules of Procedure and Committee to Plan Annual Picnic.

The chairperson of any committee may from time to time appoint subcommittees to study special issues coming before the committee. A subcommittee makes a report and recommendation to the full committee after completion of the study.

Boards, commissions and committees are covered in more detail under the **Structure of County Government** topic.
